

## *The Music Educators*

Songschool is the largest provider of music & songwriting workshops to secondary schools in Ireland, in the last 2 years alone we have delivered nearly 300 workshops in 28 counties as well as projects in Germany and Australia.

Our workshops include songwriting, recording, music technology, music appreciation, careers in the music industry, production and performance.

They are flexible and can be tailored to suit your requirements.

From 2 hours to a year we can provide a range of options for your students.
